Calendar: Birth of John and Birth of Jeshua

As the priests, like Zacharias, served according to the order of the feasts in the temple of Jerusalem, [the birth date Jesu](#) is doubtful, since the calculation is not compatible to the order of the feasts. Zacharias was neither at the Succoth nor at the feast of the Passover when the angel spoke to him, as in Luke. Zacharias served as usual in the temple around the clock. There appeared an angel of the Lord to him, who stood at the right of the incense altar. And Zachariah was frightened when he saw him, and fear fell upon him, ([Luke 1: 11-12](#)). According to the order of the G-d's calendar- see page 1, G-d is the beginning and the end, it is considered why Jeshua was born on **the first day in the first month Nissan** because John was six months older than Jeshua. G-d teach us, Your Time is not my Time. Here is the Time calculation of John and Jeshua's birth not according to the order of priests.

John				Luke 1:5-25: The announcement of the birth John of the Baptist
1 month				But the angel said to him, Do not be afraid, Zachariah, because your petition was heard, and your wife Elizabeth will bear you a son, and you must call his name John [God is favorable]. Luke 1:13
Elisabeth hid herself				Luke 1:24
5 months.				Elisabeth was pregnant in the 10th month Tevet and hid five months. Luke 1:24
6th month	Jeshua	Mary		Luke 1:26-38: The announcement of the birth Jeshua
1 month	1 month	about 3 months in Jerusalem with Elisabeth		Now in the sixth month [after that], the angel Gabriel was sent from God to a town of Galilee named Nazareth,... Luke 1:26
9th month	Succoth	about 6 months in Nazareth		Luke 1:39-45: The visit of Mary to Elizabeth in Jerusalem
01/07/3977				Now the time *) that Elizabeth should be delivered came, and she gave birth to a son. *) In the seventh month before Sukkot, about the beginning of Tishrei 3977. Luke 1:57 And Mary remained for about three months and then returned to her home. Luke 1:56 After Sukkot she went home to Nazareth and stayed for 6 months in Nazareth.
01/01/3978	9th month	Bethlehem		Luke 2:1-7: The Birth Jeshua in Bethlehem

Mary stayed about three months to the end Sukkot, as Elisabeth was in the 6th month pregnant. Elizabeth bore John at the beginning of the seventh month Tishrei. Mary was already in the fourth month and returned to Nazareth. It took another five months, just **at the beginning of the new year Nissan 3978**, Mary bore Jeshua in Bethlehem, so prophetic,
