

The truth of the calendar of G-d

Remember the former things of old: for I am God, and there is none else; I am God, and there is none like me, declaring the end from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all my pleasure (Isaiah 46,9-10)

Problem of the times

The problem is and I find the times of days, months and years are very confusing in different calendars. See [Calendar Wikipedia](#).
 Which times are from G-d? In which New Year is the first day of the month? In the Jewish calendar, the New Year is in the seventh month Tishrei (September/October), the Gregorian Calendar the New Year in January and the Biblical Calendar the New Year in the first month Nissan (March/April). Noah lived after the flood on the first day of the first month of the 601th year. According to the Jewish calendar would be the 602th year. According to the Gregorian calendar, the first month of January would be in the 600th year. The error-deviation could be 2 years. All times are in the hands G-d's, Your time is not My time. We need to listen better to the times G-d's and add all the times from the creation of the world. Thus, the problem of the times is better solved, see "The Jewish Time Calculation from the Creation of the World" according to the G-d's calendar.

The time of

The first day in the first month Nissan (March/April)

G-d: And God called the light Day, and the darkness He called Night. And there was evening and there was morning, one day (Genesis 1:5). Also, **the first day in the first month is Nissan** from the creation of the world!

Adam: **On the first day of the month Nissan** began the sin of man. And Adam knew Eve as his wife, and she became pregnant and bore Cain ([Genesis 4:1](#)).

Noah: In the year 601 [of Noah's life], on the first day of the first month, the waters were drying up from the land... ([Genesis 8:13](#)). In the New Year Noah after the Flood was **the first day in the first month Nissan**.

Jeshua: Jeshua was born **on the first day in the first month of Nissan** (March/April), because John was six months older than him, from the sixth month of Elizabeth's pregnancy to birth, see page 23 ([Luke 1:26-38](#)).

the Almighty: I am the Alpha and the Omega, the Beginning and the End, says the Lord God, He Who is and Who was and Who is to come, the Almighty (the Ruler of all) ([Revelation 8:1](#)). This is **the first day of the month Nissan** and also the end of time.

My decision of the time calculation from the creation of the world

I decided to recalculate the times of G-d's from the creation of the world to get a better overview. I do not want to write and betray everything here. It is better to research and discover the times of G-d. Everything is failed if the times are not of G-d.
 Excuse me, my mistake of the time calculation also happens, so I ask for correction! Do you have criteria? Time calculator, Hubert Brumm
