Devastation:	<b>Temple of Jerusalem</b>		Temple Time:	370	956-586/-586	<b>The year by -1056</b> between the time of Judges and Kings is difficult to ascertain, but this deviation is nevertheless surprisingly small, the kingdom lasted about <b>470 years.</b>
Thus <b>the fourth proof</b> is in comparison between Tanakh and Wikipedia, that the Jewish time calculation deviates a few years during the king's time.
